Dear Preschool Families,

It is hard to believe that this is the final program newsletter for the 2016/2017 school year. It has been a great year with the children and families. We are all fortunate to live in such a great community!

Parent / Teacher Conferences

Parent / Teacher conferences are going well. We love having the opportunity to discuss and celebrate all that the children are doing in preschool with the parents! Please continue to keep the lines of communication open. Thank you for your participation.

Registration for Building Blocks/Stepping Stones 2017-2018

We are excited to have so many families continuing with us next school year. For those that enrolled for the 2017-2018 school year, Mandy will invoice families in March for the deposit which is due by April 5, 2017. You may pay this deposit online at www.louisvillerecreation.com by logging into your account and going to "my account/pay old balances" or at the Recreation Center front desk once you receive your invoice.

For those of you heading off to kindergarten, local elementary schools are currently conducting registration for Kindergarten and Kindergarten Enrichment.

Annual Art Show

We are gearing up for our Annual Art Show at the Louisville Public Library beginning April 6 through May 9, 2017. The Art Show is a celebration of the children's experiences in Building Blocks and Stepping Stones and represents their creativity and growth. Every student in our program will have artwork on display!

Celebrate with all our families at the **Artist Reception** at the Louisville Public Library Children's Section on Thursday, April 6th from 4:30-5:30pm. Light refreshments will be served. This event is a lot of fun and we hope to see you there!

Request for Recyclables

We are in need of a large cardboard box- the size that you would get with a refrigerator, washer/dryer, etc. Please speak with your child's teachers if you might have one to donate. Thank you.

Hallway Reminder

Just a reminder that we share the north wing with the senior center. In order to keep it a safe environment for all, we ask that children walk in the hallways. If you can help us out by arriving to class just at the start time as well as "using walking feet" we would greatly appreciate your help.
